Woman Of Strength

A strong woman works out every day to keep her body in shape
but a woman of strength kneels in prayer to keep her soul in shape.

A strong woman isn't afraid of anything
but a woman of strength shows courage in the midst of her fear.

A strong woman won't let anyone get the best of her
but a woman of strength gives the best in what she does.

A strong woman makes mistakes and avoids the same in future
but a woman of strength realizes life's mistakes can also be God's
blessings and capitalizes on them.

A strong woman walks sure footedly
but a woman of strength also knows God will catch her when she falls.

A strong woman wears the look of confidence on her face
but a woman of strength wears grace.

A strong woman has faith that she is strong enough for the journey
but a woman of strength has faith that it is in the journey that
she will become strong.
